Meacham Road Bridge Over West Branch Salt Creek

Public Meeting

The Meacham Road Bridge over West Branch Salt Creek has come to the end of its service life. It has been identified as a high priority for replacement by the Cook County Department of Transportation and Highways.

This project is currently in Phase I Design. During this phase, preliminary engineering and environmental studies are conducted. Proposed improvements for this project include:

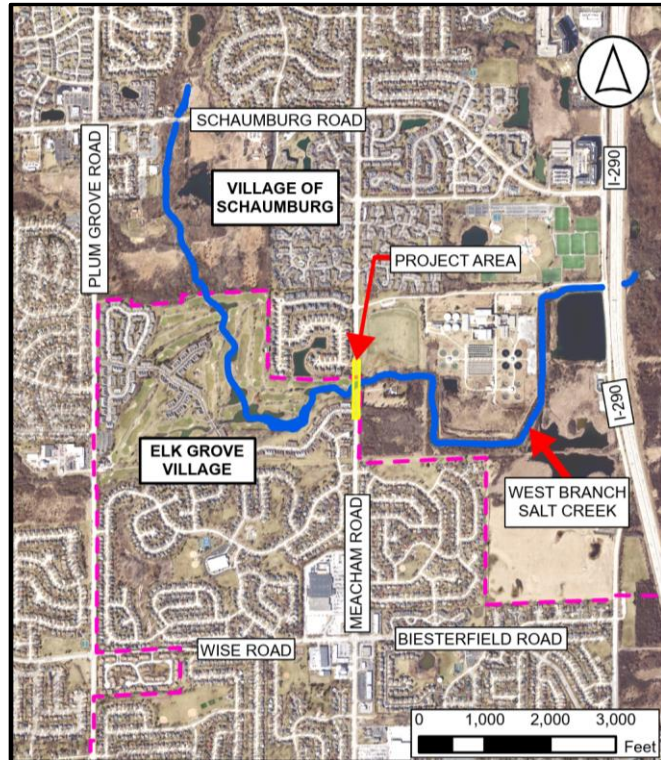

- Replacement of the bridge that carries Meacham Road over West Branch Salt Creek.
- Addition of a barrier protected shared-use path.
- Reconstruction of sidewalk.

At the public information meeting, attendees will have the opportunity to learn about the project, meet the team, provide feedback and learn about the next steps of the project.

Fox Run Golf Links is ADA compliant, therefore this meeting will be accessible to individuals with disabilities. Anyone needing accommodations should inform the contact person below at least five days prior to the meeting.
